August 16 – September 19, 2017 Coyote Reporting Summary

Summary:

The reports continue to be infrequent and still indicate we have a very active coyote population in and around Rossmoor.

Date	Time	Location	Description
8/14/2017	8:00 a.m.	Corner of Silver Fox and Saint Albans	Remains and entrails of a cat were found in my front yard. Attacking a cat on the side of my house. My Dog barking woke me and neighbor.
8/16/2017	2:30 a.m.	12301 Martha Ann Dr	Neighbor went out and saw coyote attacking cat.
8/26/2017	7:45 a.m.	3102 Yellowtail Drive - parkway section of front yard	Feline remains on my front yard; specifically a tail, both legs from the knees down, and hip bones with femurs attached.
