June 15 - July 18, 2016 Coyote Reporting Summary

Coyote activity sightings have increased since late June after few actual sighting reports since early May in Rossmoor. How and where to report seems to be spreading and gaining traction in the neighborhood.

Summary:

8 reported sightings total

- 3 early morning sightings
- 5 cat remains (one on video)

Date	Time	Location	Description
6/21	4:45 am	2721 Walker Lee	2 coyotes took cat from RP's backyard into the front yard and tore her up in front of neighbors.
6/24	5:30 am	Chaucer and Woodstock	1 coyote seen running through yards, jumped into (Oak Knoll/Kempton) Storm Channel
7/1	4:30 am	11181 Wembley Rd (new Wembley/Donnie Ann)	Cat remains left in yard. 2 coyotes seen on video. Have requested a copy of the video to support report.
7/7	7:00 am	11761 Wembley (@ Piedmont) – across from Weaver	Cat remains in front yard
7/9	8:00 am	11901 Martha Ann (btwn Piedmont & Bostonian)	Cat remains on neighbor's lawn
7/10	6:30 am	Montecito & Bradbury	1 coyote walking out of Rossmoor Town Houses into intersection
7/11	7:30 am	11381 Baskerville	Half of her cat was found on neighbor's lawn.
7/12	1:15 am	Orangewood & Weatherby	2 coyotes moving from the south side of Weatherby in the street and in front yards heading toward the (North) Storm Channel
